<b>NOTES TO LISTINGS:</b>	Reference works currently in our collection are listed in the left column by State or District,	
	unless indicated by <b>"None currently in Library collection"</b> .	
	Reference works which may be available to add to our collection are listed in the right column.	
	If no known reference is available for that state <b>"Reference work unknown"</b> will be indicated.	
	A listing of <b>"Additional reference available?"</b> indicates that there <u>may</u> be updates or additional	
	references for that state available which are not currently known.	
<b>Please Note:</b>	This listing is a first draft. Any suggestions, updates or additional information would be appreciated. I have not listed references for Territories, but will update as members provide	
	information or reference books going forward.	
	Foreign token listings will be updated in another listing as input on references, or actual	
	reference publications, are submitted by members.
