VOLUME 81, NUMBER 7

- JULY 2026 -

OUR 949th ISSUE

Summer is coming fast, and it's time to finalize plans for the 2026 AVA Convention, taking place August 22–24, 2026, in Washington, Pennsylvania. We encourage attendees to make reservations and registrations soon so they don't miss this year's event.

The convention will feature a visit to the Pennsylvania Trolley Museum, including access to its collection of 54 trolley cars, a 4-mile trolley ride, and a behind-the-scenes look at the restoration area. Washington is about a 30-minute drive from Pittsburgh, making it an easy trip for attendees in the northeastern United States. In addition, the American Numismatic Association's World's Fair of Money will be held in Pittsburgh August 25–29, offering an opportunity to attend two major collecting events in one trip.

The host hotel is the DoubleTree Hotel Washington Meadow Lands (by Hilton), recently renovated and located near the Meadowlands Casino and an outlet mall, with shuttle service available. The rate is \$109 per night plus taxes and includes breakfast for two, with the same rate available for stays three days before and after the convention. The hotel block deadline is July 21, 2026, so early booking is strongly recommended. Reservations can be made by calling 724-222-6200

Convention registration is \$85 per person, with a \$45 rate for first-time attendees. Checks should be made payable to AVA and mailed to Richard Mallicote, 1039 Arbor Drive, Lakemont, GA 30552. Questions can be directed to rmallicote@comcast.net or 678-642-6933.

Tentative schedule:

- Aug 22 – Auction (9 AM) and Trolley Museum visit (1:30 PM)
- Aug 23 – Bourse (9 AM–5 PM) and buffet dinner at the hotel
- Aug 24 – Business meeting (9 AM), depart by noon

A pre-convention board meeting will be held via Zoom to reduce travel costs, with details in The Fare Box.

We look forward to seeing everyone in Washington, PA—don't wait too long to book your plans.

Liberal Religious Youth Conference 1964 – Bus Token – VT595B

Curtis Judge

LRY stood for Liberal Religious Youth. LRY was an autonomous youth organization affiliated with the Unitarian Universalist Association (UUA). It was active from 1954 until 1982 and was notable for being almost entirely run and governed by teenagers (typically ages 14–19), with adults serving only in advisory roles. Their midwinter conferences were major events where youth from across North America gathered to discuss spirituality, social justice, and civil rights.

This token was a specialized fare piece for the 1964 Midwinter Conference, which took place in December at Goddard College in Plainfield, Vermont. Because Goddard College was somewhat isolated, "bus tokens" like this were used for shuttles transporting attendees between the college campus and local transit hubs or lodging. The 28mm octagonal brass token is listed in the Atwood-Coffee Transit catalog as Vermont, Plainfield 595 B with a \$7.50 valuation. Mintage quantity is unknown. The example shown below is currently (June 2026) listed for sale on the eBay auction site with a "buy it now" price of \$24.99.

Discussion

UNITED STATES OF AMERICA appears on wooden nickels about as frequently as UNITED STATES OF AMERICA. Apparently, this started as an error but the error proved to be so popular that a large portion of wood nickels used the terminology.

A number of the newly reported wooden nickels are similar to others already reported but have a buffalo rather than an Indian head on the reverse or vice versa. Many wooden nickels were supplied both ways.

NC 1000 C has the same obverse as NC 1000 A but a different reverse.

Famed amusement park Cedar Point in Sandusky OH opened in 1870 and is still going strong. It is the second oldest still operating amusement park in the United States after Lake Compounce in Bristol CT.

The Pikes Peak Historical Street Railway Museum is located at 2333 Steel Drive in Colorado Springs. It is open 3 days a week.

The Hoot Toot & Whistle Steam RR was created by Robert Buchman in 1957. Buchman retired from the hardware business and purchased a 16 acre wooded property in an unincorporated area on Route 20 east of Elgin Illinois. He subsequently built his home and a mile long railroad on the property. He offered rides for a quarter. Buchman passed away in 1995.

Another Hi-Ho Silver Motel wood token was previously reported in March 2024.

TR NC 500 A has the same obverse as NC 430 A but a different reverse.

The Arcade and Attica R.R. runs excursions on weekends from May through October. The railroad extends from Arcade to North Java N.Y. It originally extended to Attica N.Y. The Attica extension was abandoned in 1957.

The Jamestown taxi token TR NY 350 F is the same as TR NY 350 B except that TR NY 350 F is the same color on both sides.

The Watervliet taxi token TR NY 950 C is similar to TR NY 950 B except that the reverse has a buffalo rather than an Indian head.

The Santee Wateree RTA provides local bus service in Sumter SC as well as routes to Shaw AFB and Columbia SC. Local service is also provided in Orangeburg and Bishopville.

Tokencatalog.com contains photographs of 5 wooden Dayton OH Checker Cab tokens. We are now listing all 5 as TR OH 200 B through F. TR UU 100 AK, AM, and AN are clearly also from Dayton. However, I am not certain if these tokens really exist or were incorrectly reported so I am leaving the listings as is for now.

Tokencatalog.com shows 2 advertisements for Somerset Taxi dated 1966 and 1977.

110 Brews Old Chicago Pasta & Pizza was a chain restaurant. There is currently one in Edmond OK but I am not certain which franchisee may have issued the token.

Wolf Furniture was a retail chain with a peak of 18 stores in Pennsylvania and Maryland. Wolf had a five story showroom in downtown Altoona. Wolf was purchased by Art Van Furniture in 2017. Art Van, in turn, declared bankruptcy due to the Covid epidemic and liquidated its business in 2020.

**Make plans now to join your fellow AVA members in Washington, PA,
for three days of collecting, friendship, history, and family fun.**

**The 2026 AVA Convention Isn't Just a Great Convention...
It's a Great Excuse for a Vacation!**

Bring the Family... and Join Us in Washington, Pennsylvania!

August 22–24, 2026

Every August, AVA members gather for what many of us consider the highlight of the year.

Of course, there are dealer tables filled with transportation tokens, medals, and exnumia. There are opportunities to learn something new from other members, old friends to catch up with, and new friends to meet. Somewhere in the bourse or the auction there may even be that one token you've been searching years for.

If you've attended an AVA Convention before, you already know the real reason we come back every year.

It's the people.

For many members, the AVA Convention is the one time each year we get to shake hands with friends we've known for decades. We spend hours talking about collections, railroads, streetcars, ferries, buses, travel—and every now and then, something other than transportation! This year, we'd like to suggest something a little different.

Bring the family.

Washington, Pennsylvania, is the perfect place to turn the convention into a relaxing summer getaway that everyone can enjoy.

There's Something for Everyone

While you're browsing the bourse or attending convention events, your spouse, children, grandchildren—or traveling companion—will find plenty to enjoy nearby.

Arrive on Saturday and you'll catch the final day of the **Washington County Agricultural Fair**, one of Pennsylvania's oldest county fairs. There are carnival rides, farm animals, crafts, live entertainment, exhibits, games, and enough good food, including my favorite, elephant ears! Remember that calories don't count on vacation!

Just minutes away is the **Pennsylvania Trolley Museum**, where beautifully restored streetcars let visitors experience transportation history firsthand. Children love riding the trolleys, grandparents enjoy sharing memories, and transportation enthusiasts usually find themselves smiling the entire ride.

History buffs won't want to miss **Meadowcroft Rockshelter**, one of North America's most important archaeological sites. It's a fascinating place where thousands of years of history come alive. After seeing artifacts that are thousands of years old, even our oldest transportation tokens begin to seem positively modern!

If shopping is more appealing than trolley rides, **Tanger Outlets** offers dozens of popular stores just a short drive from the hotel. Uh oh, my wife just read what I just wrote!!

You can win money at **Hollywood Casino** to buy more tokens. Adults looking for evening entertainment can visit Hollywood Casino at the Meadows, which offers:

- Slot machines
- Table games
- Restaurants
- Live entertainment on certain evenings

It's a popular destination just minutes from downtown Washington.

Looking for a relaxing afternoon? Historic downtown Washington features local restaurants, coffee shops, ice cream parlors, and charming streets perfect for an easy stroll. Nearby **Mingo Creek County Park** offers walking trails, picnic areas, and beautiful late-summer scenery.

And if you'd like to extend your stay, **Pittsburgh** is only about 30 minutes away, with museums, gardens, riverfront attractions, the famous Duquesne Incline, and one of America's most beautiful skylines.

The Best Souvenirs Aren't Always Tokens

Collectors enjoy bringing home new additions for their collections.

Families often bring home something even better.

Memories.

A grandchild's first ride on a vintage trolley.

Sharing a funnel cake at the county fair.

A leisurely dinner after a busy day.

Laughing with friends you've known for years.

Those are the moments that stay with us long after the convention is over.

Twice I have brought my grandkids to a convention. They still bring up stories about the fun they had, even when Miss Kelley, Keith Baron's wife, bought them ice cream.

A Little Collector Humor

Every AVA member has probably said at least one of these:

"I'm just going to look."

"I already have one...but this one's a different variety."

"No, really, this was a bargain."

And perhaps the most famous of all...

"I think I'm finished buying tokens."

(Experienced AVA members know that statement should always be followed by "...for today.")

We Hope You'll Join Us

Whether you've attended every AVA Convention or are thinking about coming for the very first time, we hope you'll join us in Washington, Pennsylvania.

Come for the dealer tables.

Come for the live auction.

Come to renew old friendships.

Come to make new ones.

Bring your spouse. At the very first convention I attended, I brought my wife who was complaining the whole car ride to get there that it would be so boring. She had so much fun with the collectors and their wives that she can't wait until every August to get together.

Bring your children or grandchildren.

Invite a friend who's always wondered why transportation tokens are so fascinating.

Come for the tokens.

Stay for the friendships.

Leave with memories.

We'll see you in Washington, Pennsylvania, August 22–24, 2026!

Remember: First time attendees pay a reduced registration fee - only \$45.

STRICKERS GROVE AMUSEMENT PARK – CINCINNATI, OHIO #165 N **20 CENT AMUSEMENT RIDE TOKEN** By: Curtis Judge

The small park opened in 1924 on the 55 acre farm of Henry Stricker, amid several apple orchards near Mt. Healthy, Ohio. At first, the park was just an open picnic pavilion, but in the 1940s a pony cart ride was added to amuse children, and in the mid 1950s, several mechanical amusement rides were added and became popular park attractions. The park operates 2 wooden roller coasters, tilt-a-whirl, scrambler, a ferris wheel and other well known rides. When Henry Stricker died in 1960, his three sons continued to operate the family-oriented park on a greatly reduced basis. It is now open to the general public only 4 days a year, but is also available for large group rentals such as weddings, family reunions and corporate events which are the bulk of their business.

In 1954 the public park issued 4 ride tokens with different valuations, 5, 10, 15 and 20 cents. The 20 cent variety is shown below. This token is 35mm being struck in aluminum in unknown quantity. This example is cataloged as Ohio 165-N in the Atwood-Coffee transit catalog with a valuation of \$25.00. Currently the tokens are not in use, adult admission to the park is \$12.00 with all rides being included and children under 12 years old are free. Three examples of the 20 cent token are listed for sale (June 2026) on the eBay auction site with “buy it now” prices of \$25, \$27 and \$36.00.

This image is the large wooden roller coaster and the train that circles the park.

The park is very small by current theme park standards – this image is the aerial overhead view of the facility. There are several park video's available on youtube.

This final image is the boat ride and carousel.
